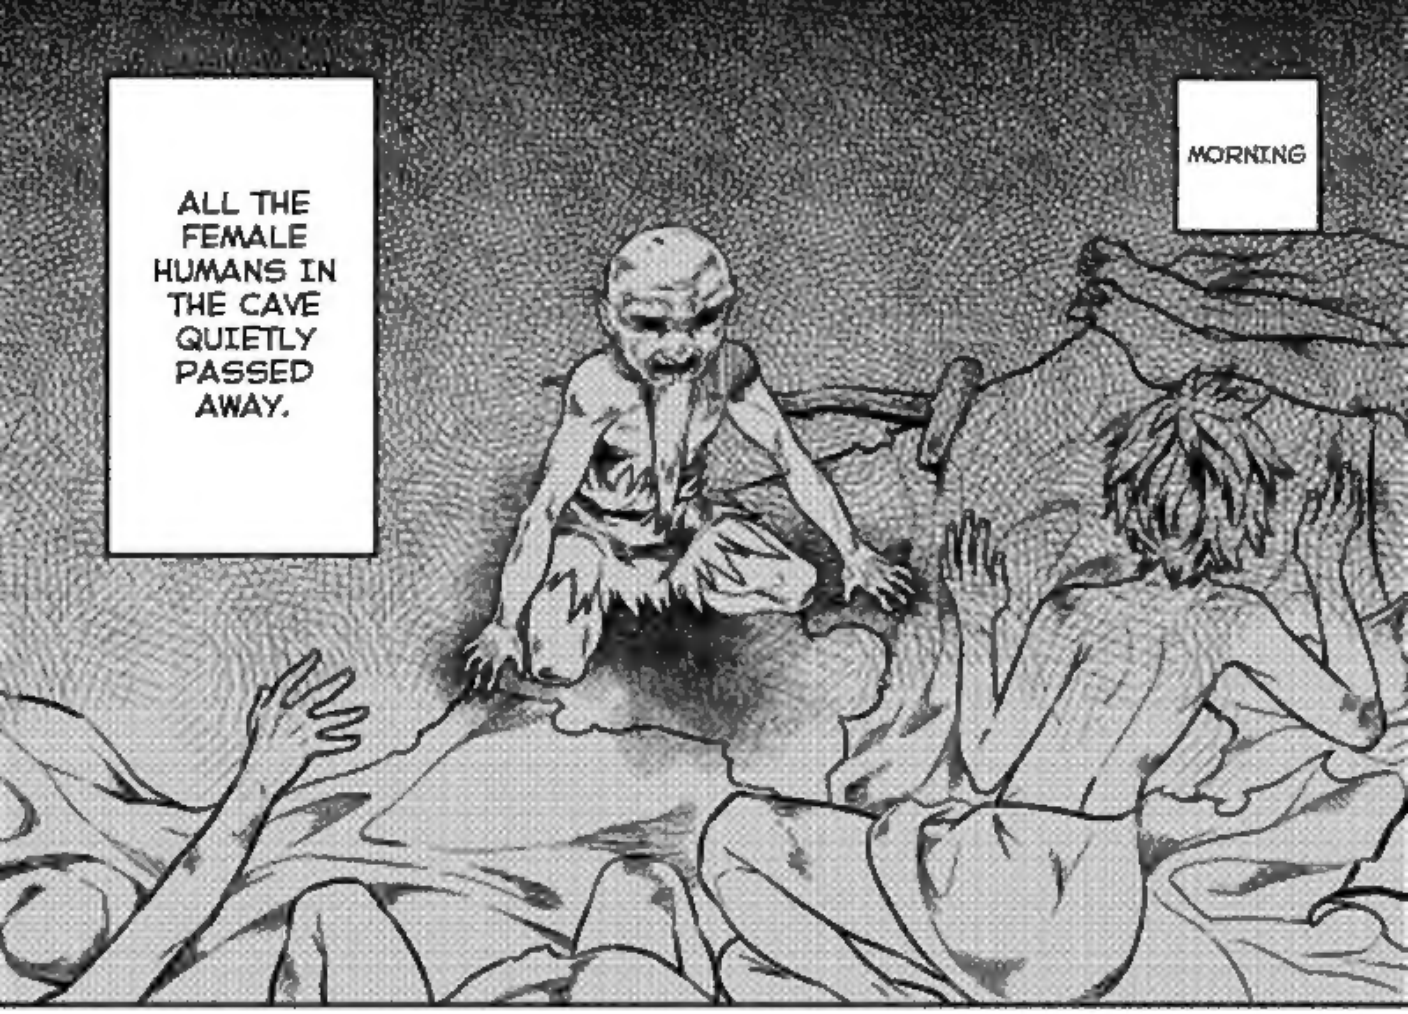
WAKE UP, GOBLIN GRANDPA.
IT'S REALLY BAD.
ゆっさ
ゆっさ
GOBLIN GRANDPA.



Re:MONSTER

Chapter 5

AUTHOR: KANEKIRU KOGITSUNE
ARTIST: KOBAYAKAWA HARUYOSHI

AS THE PERSON TO DISCOVER IT, I DISPOSED OF THE MYSTERIOUS CONTAINER.
THEY PROBABLY DRANK POISON AND DIED IN THEIR SLEEP.
IT'S A MYSTERY HOW THEY GOT A HOLD OF IT.

I TOOK THEIR BODIES AND CREMATED THEM.
GOBLIN GRANDPA WEPT AT THE LOSS OF THE WOMEN AND SEVERAL CHILDREN.
AS PAYMENT, I TOOK SOME PARTS OF THE CORPSES.
REST IN PEACE...
I GAINED QUITE A FEW ABILITIES FROM EATING THEM. IT TURNS OUT A COUPLE WERE ADVENTURERS.
IT SEEMS THE GOBLINS THAT LEFT THE CAVE WERE PRETTY STRONG.

▷ Ability "human language" learned.
Ability "continental character deciphering" learned.
Ability "mapping" learned.
▷ Ability "job: wizard" learned.
Ability "job: light swordsman" learned.
Ability "job: druid" learned.
Ability "job: craftsman" learned.
I WAS GOING TO SEND GOBLIN KICHI AND GOBLIN MI OUT BY THEMSELVES ...
のそり
SORRY, YOU TWO, I'LL JUST BE CRAFTING TODAY. YOU'LL HAVE TO H-
SINCE I DIDN'T HAVE ANY DESIRE TO TEST MY ABILITIES OR HUNT,

EHEHE...
GOBLIN MI HAD ALSO BECOME A HOB-GOBLIN.
GOBLIN MI?
WAIT...
...

SO I'LL MAKE HER SOME NEW CLOTHES LATER.
I LENT HER SOME OF MY SPARE EQUIPMENT, BUT IT'S A BIT OFF,
IT WAS A MASSIVE CHANGE COMPARED TO WHEN SHE WAS A GOBLIN.
I WAS SUR-PRISED BY HOW CUTE SHE'D BECOME.

I WAS ABLE TO MAKE HIGHER QUALITY ITEMS.
"JOB: CRAFTSMAN" IMMEDIATELY PROVED ITS VALUE WHEN I STARTED CRAFTING.
【DAY 18】

AFTER MORNING TRAINING, THE THREE OF US HEADED OUT TO HUNT AS USUAL.
WE FOUND THREE KOBOLDS.
ONE OF THEM HAD A SHORT BOW,
SO WE TARGETED HIM FIRST.
ヒュン!

ドンッ

GOBLIN MI IS FAST AND CLEVER,
THAT INTELLI-GENCE IS NEEDED FOR SOME WEAPONS.
I GAVE GOBLIN MI THE SHORT BOW, AND USED THE THREE SMALL BAGS TO STORE MEDICINE.
AFTER THAT, WE CUT APART THE BODIES, AND TOOK THEIR WEAPONS.
I DIDN'T GAIN ANY NEW ABILITIES, BUT I DID BOOST "FORESIGHT".
MEANWHILE, GOBLIN KICHI SIMPLY HIT A KOBOLD SO HARD, ALL HIS BONES WERE DESTROYED,
PRETTY GRUE-SOME.
Yeah.

【DAY 19】
TODAY I LOOKED AROUND THE TREASURE STORAGE IN THE CAVE.
I WAS WONDERING IF THE WOMEN'S EQUIPMENT WAS KEPT HERE AFTER THEY WERE CAPTURED,
PLUS "DETECT/ ANALYZE" WAS STRONGER NOW.
I ORIGI NALLY DIDN'T CARE,
BUT THIS PLACE IS NOW A TREASURE TROVE TO ME.
STILL USABLE EQUIP- MENT,
MAGIC POTIONS AND HOLY WATER,
OLD BACKPACKS AND FIELD PACKS...
AND FINALLY, SOME BOOKS ABOUT MAGIC.

AS FOR THE LONG SWORD I PREVIOUSLY USED AND THE REMAINING SWORDS...
I TOOK AN ESTOC AND BOWIE KNIFE AS MY NEW WEAPONS BECAUSE OF THEIR GOOD CONDITION.

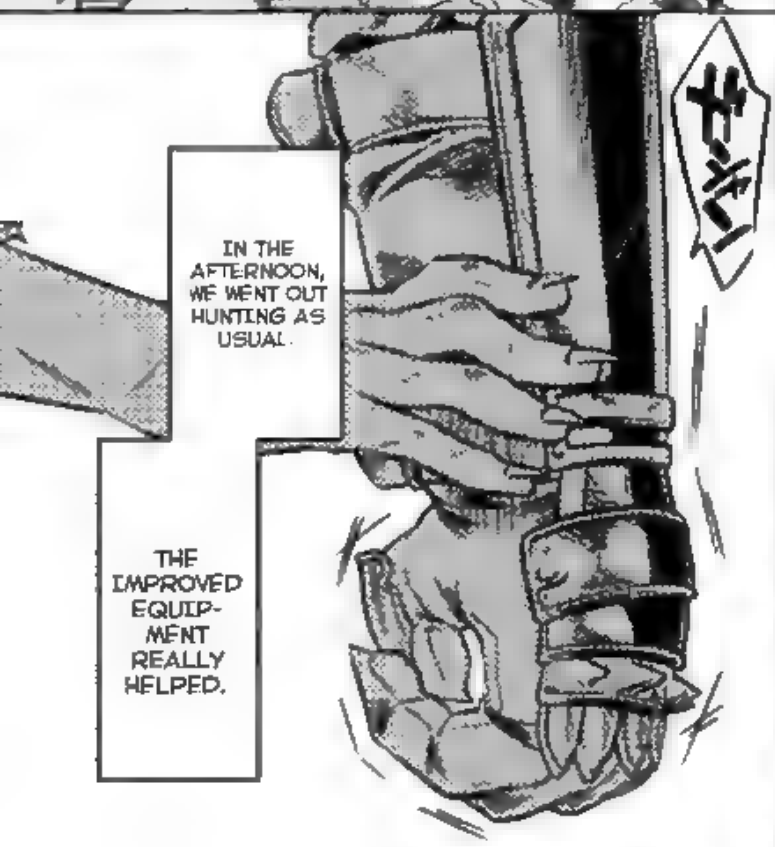
▷ Ability "slashing power up" learned.
▷ Ability "piercing power up" learned.
IT SEEMS THAT LEARNING FROM INANIMATE OBJECTS DEPENDS ON THE QUALITY, HOW THEY WERE USED, AND MY ATTACHMENT TO THEM. .
I'D SAY IT TURNED OUT WELL.
HE'S EATING THE WEAPONS.
STOP !!!

WE CARRIED THE REST TO MY BED AND WENT OUT TO HUNT.
ALL THAT'S LEFT NOW IS TO SORT ALL THE EQUIPMENT

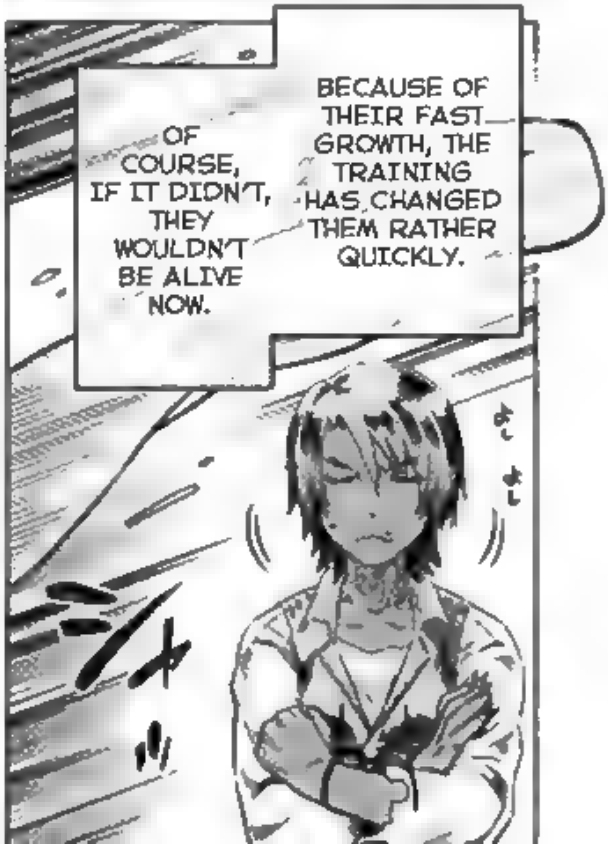
Really?
Oh, sure?
IT'S TOO MUCH FOR ME TO EAT.
I HAD TO RETURN THE OFFERINGS TO THE GOBLINS.
PERHAPS IT WAS THE NEW WEAPONS, BUT WE CAUGHT WAY MORE THAN USUAL.

【DAY 20】

THE GOBLINS HAVE CHANGED.
IT'S BEEN 5 DAYS SINCE WE STARTED TRAINING.



IN THE AFTERNOON, WE WENT OUT HUNTING AS USUAL.
THE IMPROVED EQUIPMENT REALLY HELPED.



OF COURSE, IF IT DIDN'T, THEY WOULDN'T BE ALIVE NOW.
BECAUSE OF THEIR FAST GROWTH, THE TRAINING HAS CHANGED THEM RATHER QUICKLY.

TODAY WE CAUGHT 10 NIGHT VIPERS, 14 ARMORER RACCOON DOGS,
AND 5 KOBOLDS.
AND MY NUMEROUS SKILLS AS WELL AS MY LEADERSHIP,
EVEN IF THE KOBOLDS OUTNUMBER US TWO TO ONE, WE CAN MAKE IT OUT.
WITH GOBLIN MI'S PRECISELY AIMED POISON ARROWS AND THE CROSSBOW WE FOUND IN THE STORAGE,
GOBLIN KICHI'S HEAVY DEFENSE AND HEAVY ATTACKS WITH A BATTLE AXE,

WHILE WISHING I COULD FIND ANOTHER ONE, WE RETURNED EARLY TODAY, AND I DECIDED TO READ.
WE HAVEN'T FOUND A SINGLE ONE AFTER THAT.
I'D LIKE TO EAT MORE ORCS AND STRENGTHEN MY ABILITIES . .
BUT PERSONALLY,
I DON'T KNOW ANYTHING ABOUT MAGIC, SO I CAN'T EVEN USE IT.
WHILE IT'S NICE THAT "JOB: WIZARD" BOOSTED MY MAGICAL ABILITIES,
AFTER ALL,
IT DOESN'T HAVE THE BASICS OF THE BASICS IN IT...
INTRODUCTION TO MAGIC: THE BASICS AT A GLANCE VOLUME 2
AND EVEN AFTER READING THE BOOK I FOUND IN THE STORAGE...

TIME SIMPLY KEPT FLOWING AS I AGONIZED INTERNALLY...
IF ONLY
I COULD AT LEAST SEE AN EXAMPLE ONCE!

【DAY 21】
WHILE IT HASN'T BEEN A WEEK SINCE THEY STARTED TRAINING,
THE RESULTS ARE STARTING TO SHOW

WHILE I'M PROUD OF THEM AS THEIR TEACHER,
THE MIXTURE OF AWE AND FEAR IN THE EYES OF THE OLDER GOBLINS IS JUST ANNOYING...
A FEW DAYS AGO, THESE GUYS COULDN'T EVEN MANAGE TO CATCH THEIR OWN MEALS.
MY UNDERLINGS HAVE BEGUN TO BRING BACK NIGHT VIPERS.
Goblin Roar!
I did it!

AND SO,
AFTER SPARRING WITH EVERYONE DURING TRAINING, WE WENT HUNTING.
I'VE CONCLUDED THAT GOBLIN KICHI AND GOBLIN MI ARE INDEED OUTSTANDING.
THIS ALLOWED ME TO GRASP THEIR ABILITIES, AND ALLOWED ME TO TRAIN AS WELL.
GOBLIN KICHI HAS LEARNED TECHNIQUE THAT ALLOW HIM TO EXHIBIT HIS OVERWHELMING STRENGTH.
THOUGH THEY'RE JUST USING THE TECHNIQUES I TAUGHT THEM.
AND GOBLIN MI'S QUICK AND DEXTEROUS MOVEMENTS TURN HER BARE HANDS INTO WEAPONS RIVALING A BLADE.

NOW THEN,
NORMALLY AFTER TRAINING, THE THREE OF US WOULD GO HUNTING, BUT TODAY WE'RE BRINGING ALONG ANOTHER GOBLIN.
SO FAR, IN TERMS OF POWER THE RANKINGS ARE: ME> GOBLIN KICHI> GOBLIN MI.
GOBLIN E WILL BE JOINING US.
HUH?
ME?
WON'T I JUST BE IN THE WAY?
AND SHE WAS THE FIRST ONE TO GROVEL AND ASK US FOR TRAIN-ING.
IN TERMS OF POWER, SHE'S JUST BEHIND GOBLIN MI,
WE PICKED HER OUT OF EVERYONE ELSE TO COME WITH US.
AND AFTER FINDING ALL THAT TREASURE YESTERDAY, WE ALSO WANTED SOMEONE TO CARRY IT.

TO START HER OFF, SHE GOT GOBLIN KI-CHI'S OLD SHIELD,
GOBLIN MI'S STAFF SLING,
A SPECIAL-MADE RAZOR OUTFIT I MADE, AN OBSIDIAN KNIFE, AND A BOWIE KNIFE.
ALL OF THIS MAKES A WORLD OF DIFFERENCE COMPARED TO A HORN.
AND LIKE THAT, WE WENT ON OUR HUNT.
PLUS,
WHILE MINOR, GOBLIN E DID HELP A LITTLE, TO RAISE HER LEVEL.
GOT IT
AH.
PERHAPS SHE'LL BECOME A HOBGOBLIN LIKE US SOON.

【DAY 22】

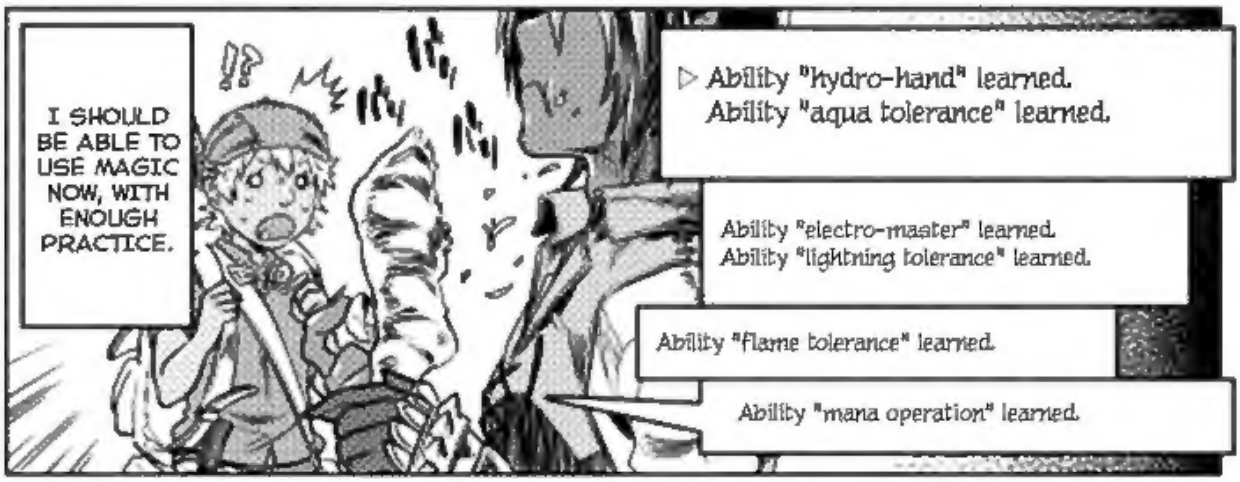
I KNOW, WE'RE PLENTY STRONG.
DO WE EVEN NEED ANY MORE TRAINING?
HUNTING IS A CINCH NOW.
WE'VE GOTTEN PRETTY STRONG LATELY!
WHILE THE MIGHT HATE ME FOR IT,
I'LL JUST BEAT THEM DOWN IF THEY TRY ANYTHING.
I TAUGHT THEM HOW A MOMENT OF CARELESS-NESS WILL LEAD TO DEATH.
Survival ain't that easy got it?
I LEFT THEM ALIVE, OF COURSE.
I BEAT UP SOME GUYS WHO WERE GETTING COCKY.

WHILE HUNTING, I WAS SEARCHING FOR KOBOLDS I CAN GET AN ABILITY FROM
AND FOUND A GROUP OF SIX.
WE COULD EASILY TAKE THEM ON, BUT BEFORE WE COULD, ANOTHER ONE APPEARED.
FROM HIS APPEARANCE, THAT'S PROBABLY A "KOBOLD MAGE".
GOBLIN GRANDPA SAID BEFORE THAT SOMETIMES GOBLINS AND KOBOLDS ARE ABLE TO USE MAGIC.
WHILE NOT EXACTLY A RARE VARIANT, A MAGE IS STILL EXTREMELY UNCOMMON AND STRONG.

INITIALLY, I WAS WORRIED THAT
FIGHTING THEM MIGHT BE TOUGH,
BUT THEN I REALIZED THAT THIS WAS A CHANCE.
I THOUGHT THAT IF I WATCH HIM CAST MAGIC,
MAYBE I'LL FIGURE OUT HOW TO CAST IT MYSELF!
SO WE TAILED THEM.
EVENTUALLY THEY CAME ACROSS A GREEN SLIME, A BEING IMPERVIOUS TO PHYSICAL ATTACKS...
AND DESTROYED IT IN AN INSTANT.
NOW THAT I UNDERSTOOD A LITTLE ABOUT MAGIC,

I DIDN'T NEED THEM ANYMORE, SO WE KILLED THEM.
AS STRONG AS A KOBOLD MAGE MAY BE, IF YOU KILL HIM QUICKLY, HE CAN'T DO ANYTHING.
Ability "internal mana control" learned.
Ability "magician's wisdom" learned.
Ability "intimidating howl" learned.
Ability "physical damage reduction" learned.
I GOT THE HEARTS OF ALL 7 OF THEM, ALONG WITH THE SLIME CORE THAT WAS THERE.
IT TURNS OUT THE GREEN SLIME WASN'T IMPERVIOUS TO PHYSICAL DAMAGE...

AFTER THAT, I ATE THE KOBOLD MAGE'S STAFF, WATER, LIGHTNING, AND FIRE SPIRIT CRYSTALS.
I CAN JUST BURN IT WITH PYROKINE-SIS.
BUT NOW I KNOW HOW TO DEAL WITH A GREEN SLIME WHEN I ENCOUNTER ONE NEXT TIME.



I SHOULD BE ABLE TO USE MAGIC NOW, WITH ENOUGH PRACTICE.
⁉
▷ Ability "hydro-hand" learned.
Ability "aqua tolerance" learned.
Ability "electro-master" learned.
Ability "lightning tolerance" learned.
Ability "flame tolerance" learned.
Ability "mana operation" learned.

WELL, THAT SHOULD BE FINE, I'VE EATEN PLENTY.

WITH THIS, I SHOULD HAVE ALL THE ABILITIES FROM THE NIGHT VIPER AND ARMORED RACCOON DOG.
MOSTLY FOR GOBLIN E TO GAIN EXPERI-ENCE.
AFTER THAT, WE CONTINUED HUNTING WHILE HEADING BACK,
▷ Ability "endurance" learned.
▷ Ability "evil eye tolerance" learned.

LATER
I WAS PRACTICING MAGIC OUTSIDE.
WHILE IT WAS TOUGH AT FIRST,
AFTER AN HOUR I WAS ABLE TO USE IT, THOUGH IT REQUIRES SOME TIME TO CAST.
THIS IS PROBABLY BECAUSE OF "MAGICIAN'S WISDOM".
A GREEN SLIME. THIS SHOULD BE GOOD FOR PRACTICE.
CURRENTLY, I ONLY KNOW THE BASICS OF THE DEMISE CLASS OF SPELLS.

▷ Ability "bodily fluid manipulation" learned
